2.4kW Cromtech Outback Inverter

The Cromtech Outback 2.4kW generator is super quiet and compact. At a low price range, this unit delivers everything you need for a fraction of the cost of flagship generator manufacturers. It has multiple power options for a wide range of applications (USB, 12V, and 240V). This popular generator is ideal for camping, caravanning, and also home use.

At Macfarlane Generators, we ensure every generator is ready to go as soon as it's in your hands. You won't need to add oil and you won't have any trouble getting going because we deal with that hassle for you! Every generator that leaves our store is ready for immediate use!

FEATURES
