YAMAHA

2.2kVA Yamaha EF2200iS

The all-new EF2200iS inverter generator strikes the perfect balance between power & portability. Powerful enough for appliances, tools and devices without taking too much valuable space. It's the ideal generator for campers, caravaners, adventurers and outdoor enthusiasts.

It's rated 200W more than the versatile EF2000iS, yet it's lighter and smaller than the workhorse EF2400iS and can go plenty more in boost mode.

With 12V/3Amp output, it effortlessly charges all your electronic devices such as phone, laptop and tablet.

Thanks to the innovative Tri-Handle design, you can comfortably move the generator around. With another person to share your load, transporting the generator becomes effortless!

FEATURES

- Inverter System
- 12V DC Outlet
- Instant Restart
- Tri-Handle Design
- Fuel Drain Switch
- Easy Access
- Multi Function LED Meter
- Boost Mode
- 4 Year Domestic Warranty
