GENERAC®

20kVA Generac Home Backup Generator (007078-1) (007219-0)

Generac's Guardian Series generators provide the automatic backup power you need to protect your home and family during a power outage.

This 20kVA, 415V, 3Phase Generac home backup generator is an affordable standby generator that offers protection during an outage.

Connected to your existing LP or Natural gas fuel supply, it kicks in within seconds of sensing power loss—automatically (when used with automatic switch) — and runs for as long as necessary until utility power returns.

FREE - Standard Wi-Fi

Mobile Link™ Remote Monitoring

Allows you to monitor the status of your generator from anywhere in the world.
