# 7kW Cromtech Inverter Generator (TG7000ie)

Introducing the newest member of the Cromtech family - the Cromtech Inverter Generator 7000ie.

This Cromtech TG7000ie Inverter Generator is quiet, yet powerful with a maximum output of 7000W and a continuous output of 6000W. It is ideal for use with food trucks, coffee vans, events, and emergency home backup but may not be suitable for permanent installation.

One of our favourite features is the Bluetooth start with the mobile app, compatible with both android and apple devices. With the app, you can stop and start the generator, change the operating modes, check fuel levels vs. current load and get maintenance prompts plus a host of other important information anywhere, anytime!

**NEW**

## FEATURES

- Electric / Recoil start backup
- IP66 weatherproof outlets
- Interactive control panel
- Super quiet - 62dB @7m
- Eco switch adjusts RPM
- Easy maintenance
- One year warranty

## Ideal for

- Food trucks
- Coffee vans
- Fetes, markets and events
- Emergency home back-up power

## Accessories included

- Remote start controller
