# 2.5kVA Pramac Petrol Inverter Generator

Pramac P3000i Inverter Generator's ultra-quiet performance automatically adjusts engine speed to save fuel and reduce noise. Ideal generator for outdoor activities, home backups and worksites.

The P3000i TRUEPOWER technology provides clean and stable power for charging sensitive equipment such as laptops, phones, and tablets. It is compact and lightweight at a sheer 27kg, making it easy to transport to fit in with your other equipment.

POWERRUSH™ gives you more starting capacity to meet the needs of high-demand tools and appliances. With more starting capacity, you can start and operate more of your favourite power-hungry devices without risking a shutdown.
